Title: **God Save The King**

Artist: **DYGITALS**

Hörprobe: <https://bit.ly/2PR4xoY>

Dygitals have been active since 1984 and impress with a skillful and gripping intersection of hard rock and heavy metal. The French band sticking to English lyrics first appeared in 1986 in the top ten most important local bands in *Enfer* magazine. Then in 1988 they toured the USA. There they performed for example in the famous *Whiskey A Go Go*. Also for the Dygitals the nineties were almost a death sentence due to their tendency to grunge and similar sounds. But in 2003 they returned strengthened and released two albums on Mausoleum Records, which became top sellers in France. They also had success with „Avé“ on Brennus Records (2012) and „Dynamite“ (2015, again on Mausoleum). Now the new work of the cult band „God Save The King“ is released on Golden Core/ZYX. Fans can look forward to gripping and conclusive songs of a powerful, natural and honest production. After all these years, Dygitals never lost their joy of playing, which transfers to the listener with full energy, while the band keeps on sticking to their unmistakable style. The CD contains a detailed booklet and two formerly unreleased bonus tracks.

Title: **Enter The Gates**Artist: **SINSID**

Norway's old school metal outfit SINSID returns with second album "Enter the Gates"!

Originally formed in 2012, SINSID's influences include anything from the blues and rock to metal and Viking or thrash but the very core of the band is, unmistakably, traditional heavy metal. The band's debut came out in 2018 and "Mission From Hell" triumphantly introduced SINSID to the metal world and quickly gained the band a massive new following, with reviews referring to the album as "good old, honest, working class metal" and "couldn't be more metal if it was hammered over an anvil!"

The band now continues its... mission, as it prepares to unleash its next offering which is yet another fine release of pure old school heavy metal! All the elements that one can expect are there; from the catchy choruses and fist-raising anthemic tunes to the raw hellish vocals and of course that nostalgic 80s vibe throughout!

For fans of: Manowar | Grave Digger | Sabaton | WASP | Iron Maiden | Running Wild

Title: **Strike Hard**Artist: **AIRFORCE**

Uk old-school rockers AIRFORCE have joined forces with Pitch Black Records for the release of the band's new album, their second full-length since reforming in 2016.

AIRFORCE stem originally from the NWOBHM era back in the 80's with the band's style best described as Old School Metal at its best, full of hooks, riffs and soaring melodies!

The band was originally formed in 1986 by Tony Hatton (bass), Chop Pitman (guitars) and legendary drummer Doug Sampson (ex- Iron Maiden).

The AIRFORCE line-up now includes the extremely talented vocalist Flavio Lino who recently joined the band on a permanent basis.

"Strike Hard" features a number of guest appearances, starting with Paul Di' Anno (ex- Iron Maiden vocalist) and former AIRFORCE vocalist Ivan Giannini (now of Vision Divine).

The CD version of the album features a bonus track which is a cover of "Faith Healer", a classic Sensational Alex Harvey Band song. This recording includes a guest appearance by the original SAHB guitarist Zal Cleminson.
