Title: **The Best And The Rare Of GAMA Records**

Artist: **VARIOUS**

**THE BEST AND THE RARE OF GAMA RECORDS  
(Hardrock & Heavy Metal 1980-1989)**

Double CD, Jewelcase  
20 pages booklet including rare photos and liner notes  
Four songs of 38 for the first time on CD  
All recordings for this double CD remastered

In the eighties GAMA from Kirchheim/Teck (Germany) was considered one of the most important labels for a new scene in Germany: Heavy Metal! Together with companies like Earthshaker, Wishbone or Mausoleum they provided quality according to the motto „small but nice“ and could never assert themselves in the press like the big ones. Nevertheless, names like Stormwitch, Darkness or SDI are still well known today - or to be more precise: Today more than ever! A lot has happened since GAMA and their labels Scratch, SL-Records, Sri Lanca, Hot Blood, Wave, Camel, Scratchcore and Tales Of Thrash disappeared in 1990 and were exploited by budget companies like WZ and Laserlight Digital in the following years, which initially damaged the reputation of some bands. A new metal scene celebrates the oldschool sound of the eighties and has already discovered the repertoire of the cult company from Kirchheim/Teck in the early 2000s. Records, which were found in rummage boxes for 1 euro before, suddenly rose in price and became rarities.

Bands like SDI, Stormwitch or Necromicon rock the stages again and meet a new generation of fans. In South America and Eastern Europe there are real GAMA fan clubs. In Brazil a book was written about the long-faded company („Cry Out For Metal“).

THE BEST AND THE RARE OF GAMA RECORDS is an almost self-explanatory title.

Beside the better known acts like Stormwitch, Gravestone, Tyrant, SDI, Darkness, Paul DiAnno’s Battlezone or Killer, you can also find completely forgotten metal pearls like Renegade, Maniac and Midnight Darkness among the 38 songs.

But the compilation goes even one step further and features several bands from the early years of GAMA, 1980 and 1981: Piledriver, Floating Opera, Poker and Requiem (all for the first time on CD).

Thus „krauty hard rock“ is still combined with speed and thrash metal on this rollercoaster ride through the eighties! Fasten your seatbelt and let’s rock!

Title: **Große Erfolge**

**Who doesn't know the German speaking Rock'n'Roll singer and actor from Austria?**

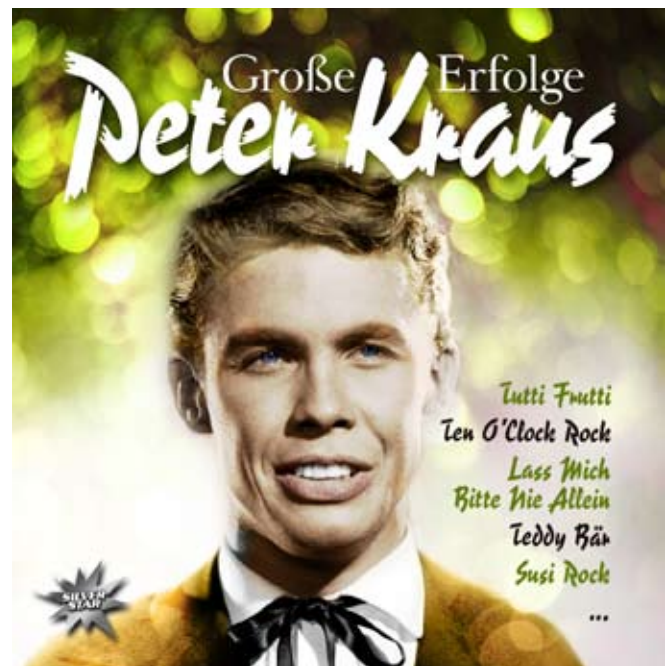

With the German-language version of Little Richard's „Tutti Frutti“, he became a teen idol in the 1950s.

Again and again he managed to inspire the teenagers with his lively plays.

Listening to songs like „Teddy Bear“, „O wie Gut“ - the German version of Elvis Presleys „Don't Be Cruel“ or „Ten O'Clock Rock“ nobody can resist to dance.
