Title: **Groove & Good Times**

Artist: **RAPHAEL WRESSNIG & IGOR PRADO**

Old School meets New School! Their symbiosis makes you enjoy a perfect composition of authentic blues feeling with a good take on contemporary funkiness!
Prado and Wressnig combine soul, blues and funk rhythms, thus provoking the production of happy hormones in the listener's brain.

Thanks to his virtuoso playing on the Hammond B-3, Raphael Wressnig has become the epitome of a modern Hammond organist.

Already five times this unique musician has been nominated for „Best Organ Player of the Year“ in the Critics Poll of „DownBeat“, a magazine being considered as kind of Holy Scripture in matters of Jazz.

In cooperation with the Brazilian blues guitarist Igor Prado he has now produced the album „Groove & Good Times“ to be released on September 17, 2021 on Pepper Cake Records on vinyl LP, CD and all digital platforms.

Lineup:

Raphael Wressnig - Hammond B-3 organ & Hohner D-6 clavinet

Igor Prado - guitars

Yuri Prado - drums & percussion

Title: **Protectors Of The Lair**
 Artist: **GRIFFIN**

Now also available on vinyl!

After the successful 3 CD box set and the LP „Flight Of The Griffin“, Golden Core now releases the second album of the cult US metal band GRIFFIN on vinyl.

While the debut album offers rather pure, traditional Heavy Metal, the follow-up work by the band around the exceptional singer William McKay sounds more like Speed and Thrash Metal combined with Griffin’s distinctive musical trademarks.

„Protectors Of The Lair“ was released in 1986 at Steamhammer/SPV, and therefore this second album was more widespread in Europe for a few years than „Flight Of The Griffin“. Musically the band was at the speed of life, but the style can also be described as kind of oddball.

However, the biggest drawback was always the weak sound, which was almost only in the mids and trebles. This problem was now solved in a double sense!

Fortunately, the original 24-track tapes still existed and could be recorded over after some repairs.

As a result, not only a remaster could be done, but also a remix made by Neudi 2020 and filling LP 1.

The second disc contains the original mix from 1986, but remastered by Patrick Engel (Metal Blade, High Roller, etc.). The gatefold double LP contains liner notes and photos as well as an insert with lyrics. The original cover was restored by Kai Brocks. As with „Flight Of The Griffin“ it is to be expected that the first edition will be sold out quickly and a repressing may take some time.

Title: **Much Too Young To Rock'n'Roll**
 Artist: **SPEEDY**

At the end of the seventies, The Teens were on a triumphal march and dominated youth magazines like „Bravo“. Of course, it didn't take long before they had competition. Speedy were a real band, that were discovered playing music in their rehearsal room. A little later, the first single „Willy Is Back“ was produced by Didi Zill (Birth Control, The Nighthawks), who was also known as a photographer for Bravo. The band made it without any detours to Ilya Richer's cult programme „Disco“. This led to the band's first and unfortunately only LP „Much Too Young To Rock'n'Roll“ and the epynymous single with the banger „Fight Like A Fighter“ on the B-side. Both tracks made it to TV again (a holiday show with Karl Dall and for the second time the show Disco) - Speedy became highly requested!

Speedy were approached by a well-known American management to go on tour as support for Def Leppard. But this chance for an absolute breakthrough was taken away from the still underage musicians, as their parents were not enthusiastic about the idea and forbade this step. This was also the end of Speedy. Or almost the end, because in 1982 one last single was still released under the name Speed, which included a cover version of Free and the song „Hurt Your Feelings“. This song shows that Speed(y) would have had what it takes to step out of the image of the Bravo teenage band.

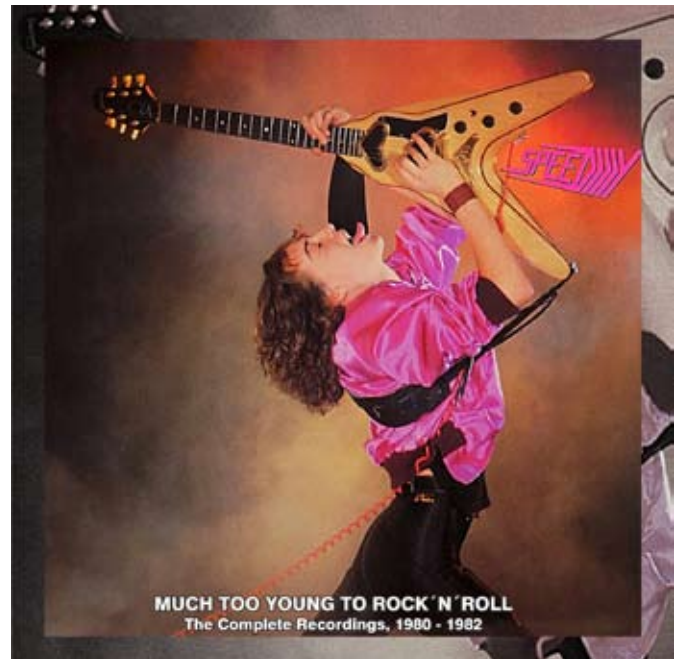

He is on par with many melodic heavy acts like Def Leppard in their early days.

Therefore, the first re-release of the LP and all single tracks is now presented on the hard rock/metal label Golden Core.

Of course, the fans „from back then“ will get their money's worth, but also today's lovers of straight composed heavy songs (NWOBHM, various German 80s acts) will get their money's worth.

By the way, Speedy dared a new start, but the reunion was slowed down a bit by Corona.

It will definitely be extremely interesting to see what the three gentlemen, who have been active in regional bands in recent years and have therefore never forgotten how to rock, will have to offer!

Title: **Bracelet Circus**Artist: **RAMRODS**

With „Bracelet Circus“ the „RAMRODS“ show that they are not only one of the most imaginative and variable rock groups in Germany, but also easily meet the high standards of songwriting and richness of ideas. The stylistic range of the debut - which was attested „international format“ and where heavy riffs and catchy melodies met sitar and psychedelic sounds - fans out even further on „Bracelet Circus“. Still inspired by idols like Beatles, Pretty Things or Led Zeppelin, the „Ramrods“ discover new terrain again in the studio. Classic rock & roll mixes with medieval instruments, soul and R & B is presented with real brass sections and choirs, catchy ballads are reduced to their core, completely homogeneous country rock and 60s original sounds flow together. And always concise songs - each sweetened with a brilliant guitar solo. Everything culminates in a kind of world music prog suite at the end of the disc - a three-parter that is certainly the most ambitious and amazing piece of music by the RAMRODS so far.

A complete and homogeneous album where the songs flow together and belong together - this is certainly an offensive statement in a time where streaming and the fast marketing of single short songs also enter the rock scene; where young bands as exact copies of old heroes cause great admiration but the good old heroes have problems to reach their former level again. Nevertheless, you don't have to look for good songwriting with a magnifying glass - „Bracelet Circus“ keeps its promise. Every song is different, but none is second-rate.

Title: **Liebesträume**
 Artist: **ELENA NUZMAN**

Ob Klassik oder Pop, virtuosos Klavierspiel oder atemberaubende Rockröhre – diese Frau lässt sich in keine Schublade zwängen, sondern verbindet scheinbar Unvereinbares zu gefühlvoller Popmusik auf höchstem Niveau. So auch in ihrer fantastischen Klassik-Pop-Adaption von Franz Liszt: Mit „Liebestraum“ erreichte Elena Nuzman bereits über 2,3 Million Views auf Youtube – Tendenz steigend! Auch auf Spotify schießen die Streamingzahlen schier durch die Decke. Als ausgebildete Pianistin war sie in den Konzertsälen Europas zuhause, als Popsängerin begeistert sie Zuhörer in aller Welt mit ihrer vier Oktaven umfassenden Stimme und ihrem unvergleichlichen Timbre.

Das musikalische Talent wurde ihr bereits in die Wiege gelegt: Elena Nuzman, Tochter einer Konzertpianistin und eines Geigenvirtuosen und Schauspielers, saß schon mit etwa zwei Jahren am Klavier, um Stücke nachzuspielen, die sie bloß vom Hören kannte. Nach ihren zahlreichen Tourneen und gefeierten Auftritten, unter anderem am New Yorker Broadway und dem Brandenburger Tor veröffentlichte die Ausnahmekünstlerin nun ihr Album „Liebesträume“ neu.

Title: **50 Greatest Rock'n'Roll Hits**Artist: **VARIOUS**

When you hear about Rock `n` Roll, you immediately think of the 50s.

An exciting kind of music that shaped an entire decade and yielded many great artists!

At least since „Rock Around The Clock“ by Bill Haley a real era had begun that inspired and shaped an entire generation.

Chuck Berry, Little Richard, Bobby Darin; Buddy Holly went down in music history and shaped a style of music, which is still frequently played today.

Look forward to legendary original hits of rock'n'roll on a double CD!
