Title: **Beyond The Universe**Artist: **RICK DERRINGER**

„Rock'n'Roll Hoochie Koo“ is an immortal rock classic, as is the smash hit „Hang On Sloopy“ by the McCOYS. In both cases the American guitarist Rick Derringer is behind it, but to reduce his work to these two hits would be a big mistake. Not only did he work with JOHNNY and EDGAR WINTER and release several successful albums himself (most notably „All American Boy“ from 1973), but he also achieved worldwide fame as a studio musician (Alice Cooper, Kiss, Steely Dan and many more). Later he also played with DERRINGER, BOGERT & APPICE and with RINGO STARRS ALLSTAR BAND. Born in 1947, the musician is still active today.

„**Beyond The Universe**“ is an album of new recordings that sounds wonderfully warm and transparent, yet equally powerful and dynamic. The special thing about it is also that Rick Derringer even remembers his beginnings with the McCOYS and does not leave them out. The CD contains a reggae version of „Hang On Sloopy“ as a bonus track.

**A must for all rock fans!**

Title: **Thru' To You**

Artist: **STARSTRUCK**

**NOW AVAILABLE ON VINYL!**

**Starstruck** - „Thru' To You“ Once again Golden Core successfully brings to light a forgotten pearl from the German Metal Underground, even if the word hard rock would be just as appropriate in this case. 1984 veröffentlichte die Band **STARSTRUCK** aus Karlsruhe ihr einziges musikalische Lebenszeichen: Die LP „Thru' To You“. Geographically, the band was located quite close to GAMA Records, which was based in Kirchheim/Teck and recognised the potential of the group, which was already popular in the region. The disc was recorded at Spygel Studio with support of engineer Batze Kramer. That Batze Kramer, who already refined cult discs by bands like Tyrant, Stormwitch, Bloody Six, Vampyr, Gravestone, Restless or Necronomicon! „Thru' To You“ is pure zeitgeist reflected by the music as well as by the cover, which on closer examination shows a lot of humour. Karlsruhe, Stuttgart, Heidelberg - melodic heavy metal has always been more popular in this metropolitan area than in the Ruhr or the north. Only Munich also became known for its tendency towards AOR. **Starstruck** skilfully play the golden mean between toughness and radio-friendliness, which could have become a formula for success given the well-arranged songs and the playing skills. Unfortunately, GAMA was not able to promote the album adequately. At least it was also licensed by Mausoleum (Belgium) a year later, and then also on CD for the first time in 1990 (Aurophon, Brainstorm series). Golden Core already drew attention to Starstruck in 2021, when one of their tracks became part of the compilation „Sound & Action - Rare German Heavy Metal & Hardrock Vol. 1“. Now, for the first time, a remastered version of the iconic album will be available on CD, and later that year also on **vinyl**. Finally!
