Title: **Sound And Action - Rare German Metal Vol. 3**

Artist: **VARIOUS**

Oliver Butz, editor of the cult fanzine SOUND & ACTION, and Neudi (musician, journalist) have joined forces for the third time to dig up rare and forgotten bands/songs from the history of German hard rock and heavy metal over a period of months. Due to the overlength of three pieces, this time there are „only“ 34 contributions, whose spectrum lies, as before, between hard rock and thrash metal - the traditional varieties. The sources are self-produced albums, singles or EPs as well as sampler contributions (mostly very local) and studio demotapes. This material has been elaborately restored and mastered for this double CD, so that the sound level is amazing despite the once low budgets.

Volume 3 of this compilation series shows once again that German heavy metal was not only relevant in the early eighties and then again with the rise of thrash metal. Even though the eyes of the press and also of the fans in the eighties all too often looked in the direction of the USA (previously also England), quality continued to be delivered in Germany. The nineties also saw the emergence of many bands that continued a traditional style.

As before, the booklet contains liner notes and illustrations for each of the 34 contributions. So the Teutonic history lesson is (once again) perfect!

Title: **Disaster Imminent/Crash Landings Live (Reissue on**
 Artist: **RADUX**

From the ashes of various bands, RADUX was formed in 2013 and soon conquered the clubs in Finland. The first two demos were released on cassette in 2016. The first big coup was the vinyl release on Svart Records in 2018: the EP „Disaster Imminent“.

While the band was working on their first album, they decided to team up with Golden Core/ZYX to release the infectious EP on CD for the first time, along with a furious live recording called „Crash Landings“. With remastered audio and an actual interview in the booklet (liner notes), every thrash fan should be positively curious.

The comparison to Nuclear Assault’s debut cannot be dismissed out of hand, but Radux have enough independence to make a name for themselves in the long run. There are rarely any breathers and the term „oldschool“ is also at the forefront.

Those who want a portion of adrenaline at high speed have found the right medicine in Radux.

Title: **Amore!**

Artist: **ALESSANDRO MORGAN**

Music changes the world. No matter what language, age or origin.

For the Italian singer-songwriter Alessandro Morgan, music is everything - and you can tell that from his songs!

With a lot of passion, he inspires not only lovers of Italian music. Alessandro started playing the guitar at the age of ten and at 15 he had his own LIVE band that played its way into the hearts with Elvis classics.

Later he decided to pursue a solo career and wrote his own songs with great success.

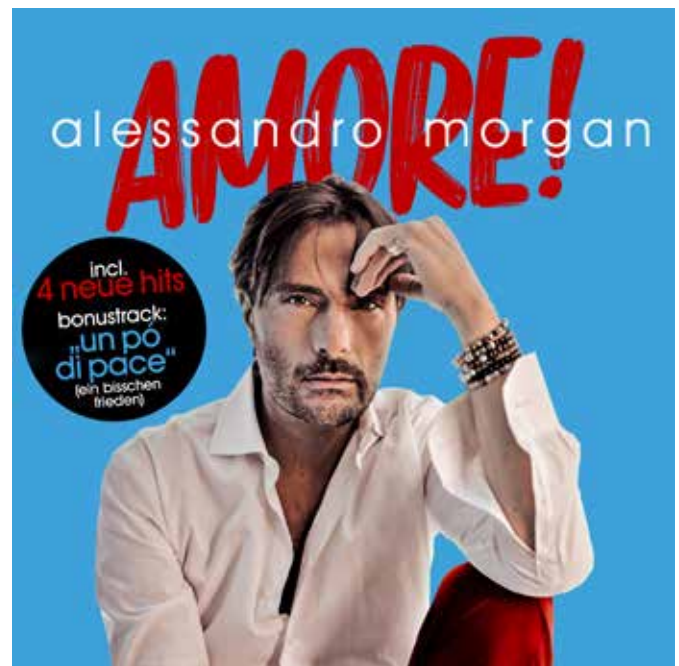

He has just attracted attention in the pop scene with his new song „Sera d’estate“ - a German/Italian version of „Ein Bett im Kornfeld“ - and „Hello again“.

After this success, Alessandro Morgan came to the attention of Michael Holm and Ralph Siegel. Michael Holm wrote the title „Ich fang Dich“ for the likeable singer.

„Ich fang Dich auf“ and Ralph Siegel agreed to re-record the world hit „Ein bisschen Frieden“ in German/Italian.

These songs will be the prelude to his new ALBUM „Amore“ with many German/Italian songs.

All Schlager fans can already look forward to the new album, because it offers something for everyone!

Title: **Hawaii - Traditional Hits**

Artist: **VARIOUS**

This double CD is dedicated entirely to the ukulele, the guitar-like plucked instrument. Be it Marilyn Monroe's performance of „Running Wild“ in the cult film „Some like it hot“ or perhaps Stefan Raab's legendary „Rabigramme“ with which he regularly ambushed celebrities or, at the latest, Israel Kamakawiwo'ole's heart-rending version of „Somewhere Over The Rainbow“... The ukulele is an absolute cult.

On this 2CD there are no less than 50 ukulele classics, lovingly compiled... Including Marilyn Monroe's performance mentioned above, dreamlike songs from Hawaii and the South Seas, as well as various country and even jazz songs. Incl. Marilyn Monroe, Bing Crosby, Jimmy Rodgers, Louis Armstrong, Helen Louise, Vaughn De Leath and many many more!

50 ukulele hits on two CDs with a total playing time of 140 minutes! An absolute must have!

Title: **Tai Chi Feng Shui (Remastered)**
Artist: **TEMPLE SOCIETY**

On the remastered album „Tai Chi Feng Shui“, Temple Society’s relaxing music tells the reciprocal story of wind (Feng) and water (Shui). The compositions harmonise the forces of Yin and Yang and strengthen the centre of Tai Chi.

Chinese instruments such as the erhu, the traditional string instrument, ensure a high accumulation of favourable Qi, which, according to Feng Shui teachings, leads to good health, harmony and success for the listener.

The extraordinary sound world of Temple Society ranges from the delicate zither play of the guzhen, which make the wind audible, and the accents of the taiko drums, that recall the impact of heavy drops of water. The music sounds beautiful Western ears and creates a soothing, balanced atmosphere.
