Title: **Die Erler Passionsmusik**  
Artist: **CHRISTIAN KOLONOVITS**

'The epic music of **Christian Kolonovits**' (press release: BR-Klassik) is now available as a CD (digipack with 16-page booklet). Every six years, the 400-year-old tradition of the Passion Play is performed in ERL, the oldest Passion Play venue in the German-speaking world. On the occasion of the premiere in the Festspielhaus Erl on 19 April 2025, the highlights of this year's Passion Play were recorded live with a large orchestra. Christian Kolonovits has composed his own Passion music in an arrangement that is reminiscent of the film music in terms of its effect and performance and reveals itself for this musical event. This musical compilation is a further milestone in his multi-award-winning symphonic music, TV, film and theatre projects. The **CD** is a music collector's item that should not be missing on any shelf.

Title: **Greatest**  
Artist: **DYVA**

For many italo disco fans, Dyva is nothing short of a mythical name. A cult act surrounded by mystery, legend, and endless debates fueled by pure passion. And it all started with their iconic track „Oh Mama Tonight“, which, adding fuel to the fire, was released only as a promo single. That rare Boot Legs vinyl became the holy grail for collectors, a lifelong hunt for true italo enthusiasts. After just three official releases (the last one in 1990), Dyva seemingly vanished from the face of the earth. . . Until the early 2000s, when Finnish italo aficionado Kimmo Salo tracked them down in Sestri Levante, Italy. That unexpected meeting sparked a brand-new chapter, both for Kimmo’s soon-to-be-born label Flashback Records and for Dyva’s founding members Roberto Calzolari & Massimo Traversoni. Encouraged by Kimmo, the duo returned to the studio to bring back to life not only their long-lost 80s demos but also fresh new material. This album is a true time capsule, covering the period between 1986 and 2024, featuring never-before-released single versions, true gems. For any die-hard Dyva fan, this is nothing less than an essential addition to the collection.

Another Sensation Records holy grail returns: "Flying Dream" by Frank Hino again on vinyl. Here comes another Italo disco diamond rescued from the depths of the legendary Sensation Records catalogue. Majestic, rare, and long sought-after, Frank Hino's "Flying Dream" is a true gem that has captivated collectors for decades. This hypnotic masterpiece was brought to life at Punto Musica-Emme Studio in Florence, where it was programmed by Egisto Bitossi - the genius also behind the cult classic "And I Love Her" by Sir Valentine. A dazzling slice of ,80s Italian energy, Flying Dream is a floor-filler full of twists and turns - sweet, spiraling arpeggiators give way to rock-tinged climaxes, all carried by a charismatic vocal and a magnetic melody. It's bold, beautiful, and utterly unforgettable. No wonder collectors have been chasing it for years, though original pressings are nearly impossible to find, and when they do surface, the prices are sky-high. But now, Vintage Pleasure Boutique is answering the call of every true Italo enthusiast with a brand-new vinyl reissue of this iconic track. Rare. Radiant. Reborn. Get ready to own a piece of Italo disco history.

Title: **Say You'll Be Mine**  
 Artist: **KIM TAYLOR**

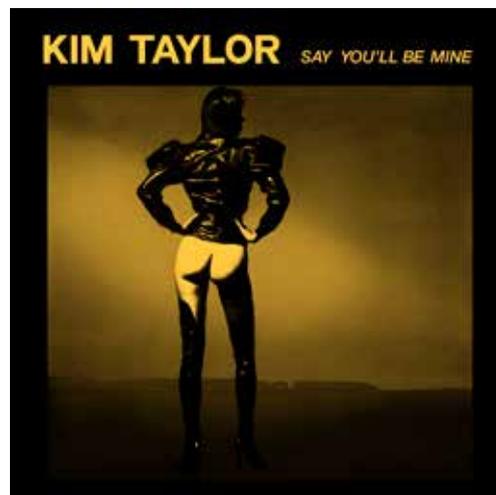

Kim Taylor's High-Energy Classic "Say You'll Be Mine" Returns on Vinyl!  
 This time, Vintage Pleasure Boutique is reviving a high-energy Eurobeat classic straight from the vaults of Hotsound Records - the legendary „Say You'll Be Mine“ by the one and only Kim Taylor. Originally produced by Rob Van Eijk in 1987, this track marked a shift in the Euro Disco sound, paving the way for the Eurobeat explosion in Japan while also becoming a cult anthem in the LGBTQ+ club scenes of the U.S. Its high-speed, melodic energy set dancefloors on fire across the globe. In 1988, a special U.S. remix by Frank Del Rio and Victor Flores pushed it even further into dance music history.

Now, thanks to Vintage Pleasure Boutique, „Say You'll Be Mine“ is back on vinyl - packed with stunning remixes. Alongside the original versions and the rare 1988 remix, this edition features fresh reinterpretations by Electro Potato, Chris Van Buren, A.P. Mono, and Albiero - all staying true to the high-energy spirit of the original. This vinyl won't stay in stock for long! If you love Italo disco, Hi-NRG, and vintage 80's dancefloor magic, this is a must-have for your collection. Don't miss your chance.

Title: **Let Me Free**Artist: **GINA**

Here's another gem from the Made Up Records catalog, crafted by none other than Laserdance legend Michiel van der Kuy. Once again, Vintage Pleasure Boutique delivers a beautifully remastered original, breathing new life into this classic cut. But that's not all.

Thanks to the access to the original studio stems, the release also features four brand-new remixes. A.P. Mono, Electro Potato, Bellatrix, and Chris van Buren all stayed true to the essence of the original production, but each one gave „Let Me Free“ a fresh twist - tweaking, polishing, and reimagining it to build a smooth bridge between the old school vibe and modern dancefloor energy, all while giving a respectful nod to today's DJs.
