Title: **Techno 2026 - Vinyl Edition**Artist: **VARIOUS**

Following the successful release of the CD 'Techno 2026' last year, an exclusive vinyl edition is now available. This record is not a simple re-release, but a curated excerpt from the original CD project: the three DJs have each selected their personal highlights and compiled them into this exclusive vinyl edition. Driving grooves, hypnotic sequences and atmospheric tension arcs reflect the sound that already made the CD a success – now condensed and refined for the vinyl format.

Title: **From The Heart Of Star Trek - 60 Years Vol. 1**
Artist: **ORIGINAL SOUNDTRACK / STAR TREK**

FROM THE HEART OF STAR TREK – 60 YEARS
From the Archives – Vol. 1

Vinyl Box

60 years of Star Trek! We're celebrating with a two-part vinyl box set. Here's box 1, which has two highlights: the soundtrack to the **Star Trek: Voyager** series on vinyl for the first time, plus an **exclusive vinyl compilation** straight from the heart of the Star Trek: The Next Generation films.

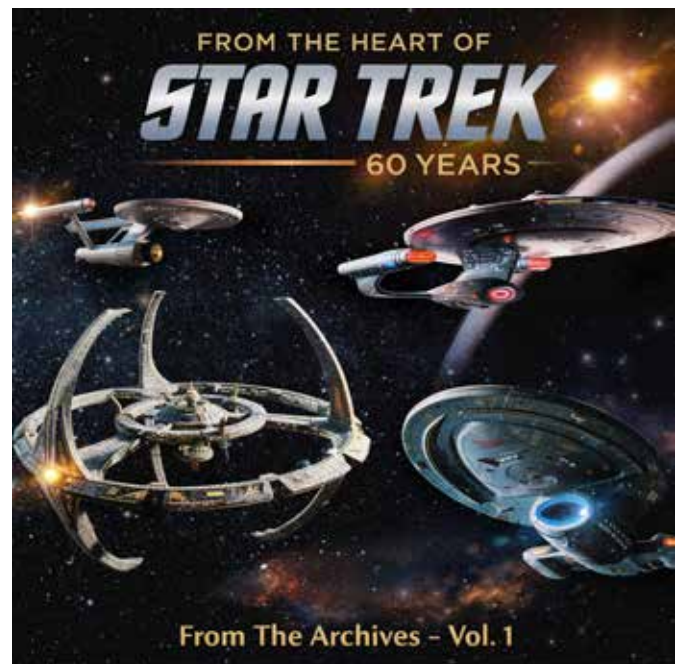

The carefully curated box set brings together key musical milestones in the television history of this special science fiction series universe: from the classic themes of the original series to the characteristic opening of **The Next Generation** ('Encounter at Farpoint') to the distinctive soundscapes of **Deep Space Nine**. Another focus is on **Voyager**: the atmospheric, often cinematic compositions are being released on **vinyl** for the first time, making this box set a real collector's item.

The selection is complemented by The Next Generation – **THE MOTION PICTURE ERA HIGHLIGHTS**: a specially compiled vinyl compilation featuring the most iconic pieces from the TNG era films – music that for many fans still forms the emotional core of Star Trek today. In addition, each box set includes an **exclusive poster** – a high-quality art print, specially designed to mark the 60th anniversary.

Vinyls included:

- Star Trek – Volume Two: Original Television Soundtrack
- Star Trek: The Next Generation – Encounter at Farpoint
- Star Trek: Deep Space Nine – The Emissary (Music from the Original Television Soundtrack)
- Star Trek: Voyager – Music from the Original Television Soundtrack (new vinyl edition)
- Anniversary compilation: The Next Generation – THE MOTION PICTURE ERA HIGHLIGHTS

From the Archives – Vol. 1 is a 60th anniversary edition for vinyl lovers and Trekkies alike – a piece of Star Trek history to put on your turntable.

Title: **Whisky And Bullets**
Artist: **DOBBROMAN**

DobBroMan, the Americana and blues artist who not only feels this music genre but lives it, is now releasing a new album with Zyx Music: **'Whisky and Bullets'**. It is an album that reflects feelings and experiences, some of which are so powerful that they resemble small episodes. It is a documentation of the last three years with stories that make you smile and think. They are funny, moving, and every song has a message, some clearly defined, others that evoke a certain tingling sensation.

That's what DobBroMan is all about!!

Title: **Unholy Metal Attack: The Trash & Death Box**

Artist: **VARIOUS**

-Five original albums and EPs in an exclusive box set
 -The complete collection for fans of thrash metal and death/black metal with thrash influences
 -Featuring Radux (Finland), Chaos Path (Germany) and Possuido Pelp Cao (Brazil)

After thrash metal had almost disappeared from the scene in the nineties and even at the beginning of the 2000s, this metal subgenre is now more popular and active than ever. In addition to bands that have dedicated themselves to this style in its purest form (here: Radux), black, death and thrash metal (here: Chaos Path) are also becoming increasingly common. Punk/hardcore is also a must for many acts (here: Possuido Pelo Cao). This box set brings these facets together without stretching the genre too far. If you're into Nuclear Assault, especially their debut, you can't ignore the Finnish band RADUX. The album 'It's Going To Be A Great Day', which is still relevant today, received excellent reviews and takes no prisoners. The EP 'Disaster Imminent' was released on vinyl by Svart Records. The CD version on Golden Core was released as a full-length album with live recordings. Gloomy, heavy and creative: CHAOS PATH from Kassel had to contend with a few line-up changes, but since their formation they have been able to climb the career ladder step by step. Their current album 'The Last Sign Of Eden' led to interviews in the relevant magazines and established the band in both the black metal and thrash/death scenes. 'Rise Of The Apocalypse' compiles the group's EPs, which were previously only released on vinyl. POSSUIDO PELO CAO from Brazil mix thrash metal and hardcore like D.R.I., S.O.D. or Attitude Adjustment used to do. This EP feels like an ICE train has gone through your head... A danger to your neck muscles.

Title: **Tai Chi Meditation (Remastered)**Artist: **TEMPLE SOCIETY**

Tai Chi Meditation by Temple Society is a special meditation music designed to promote concentration and fluid movement techniques in Tai Chi. The harmonious and soothing sounds are specifically aimed at balancing yin and yang to strengthen the centre of Tai Chi.

Traditional Asian instruments such as the erhu, ban di and guzhen create a diverse soundscape and provide a deeper connection to Tai Chi. The flowing rhythms allow you to synchronise your movements with the music and focus on your breathing, strengthening the connection between body and mind. The special compositions on '**Tai Chi Meditation**' aim to sharpen awareness, promote the flow of qi energy and achieve deep relaxation. This combination of movement and meditation makes Tai Chi a unique and holistic practice. The relaxing and meditative soundscapes of Temple Society are internationally popular. Tai Chi & Qi Gong trainer Canda also uses Temple Society's music for her exercises.

'**Tai Chi Meditation**' was remastered by **Chris Cool** in 24Bit/96kHz.

Title: **Qi Gong Meditation (Remastered)**Artist: **TEMPLE SOCIETY**

The harmonising music of **Temple Society** creates the perfect atmosphere for practising qigong and tai chi. On the album '**Qi Gong Meditation**', the contemplative sounds promote the activation and channelling of qi through the power of the mind and particularly support the meditative aspect of qigong. The traditional Asian instruments erhu, ban di and guzheng create a soothing soundscape that makes it easier to relax and immerse oneself in a meditative state. Gentle melodies promote mindfulness and energetic work in Qi Gong, which has a positive effect on both silent Qi Gong and a particularly gentle flow of meditation movements. The music of Temple Society not only serves as relaxation music, but also actively promotes mindfulness and productively supports Qi Gong exercises. Qi Gong and Tai Chi practitioners around the world have been benefiting from these meditative sounds for many years to improve their meditation practice and optimise the flow of Qi.

Tai Chi & Qi Gong trainer Canda also uses the music of Temple Society for her practice.

'**Qi Gong Meditation**' was remastered by **Chris Cool** in 24-bit/96 kHz.
