Title: **Unspoken**
Artist: **VICKY LAMPIDI**

Warm, dark timbre, sensually alluring presence, and overflowing charisma – meet **Vicky Lampidi**, a true European through and through. Born in Cologne to Greek parents and raised across Germany, Greece, and Spain, she now lives in Germany again, producing her songs in “The Länd.” Discovered by soul legend David Hanselmann and produced by the Chilean-German hitmaker Rodolfo Guzman Tenore (aka RGT, known for working with Prince Damien, Diana Herold, Jürgen Hörig), she releases her highly anticipated debut album “**Unspoken**”, a captivating mix of pop infused with Latin and soul elements. The tracks were crafted specifically for her strikingly beautiful voice by RGT.

Often dubbed in her homeland as “the Greek answer to Amy Winehouse,” her mother recalls, Vicky “could sing before she even spoke.” With her deep, extraordinary voice, she has mesmerised audiences across Spain, Greece, and Germany, performing solo, in duos, or with a band. Among others, she shared the stage with rock singer David Hanselmann, who introduced her to 7music CEO Hans Derer. On TikTok, her spontaneous night sessions – often short a cappella song snippets – have drawn six-figure audiences in awe.

Wherever she performs – usually perched on a bar stool with a gentle smile – the reaction is always the same: enchanted listeners drawn into her unique spell by her vocal brilliance, soulful presence, and undeniable charisma.
