Title: **Deuce**

Artist: **PRKLZ**

At the end of 1988, one of Germany's most innovative and creative metal bands was formed near Bad Segeberg: Ragnarök, who later changed their name to **PRKLZ**. Under the guidance of Kai Hansen (Helloween, Gamma Ray), they recorded the demo „The Tape“, which is not only full-length but also received rave reviews. Following a move to a new rehearsal room and a change in line-up, another demo was produced. The band were so popular locally that they played to audiences of up to a thousand people.

Due to repeated mix-ups, the band changed their name to **PRKLZ**. The name has no particular meaning, but this makes it all the more striking. Offers from record labels poured in, but PRKLZ were determined not to let anyone dictate their style or their unusual creativity. In the end, the only partner left was the small prog-rock label WMMS, which gave the band the freedom they needed. In 1994, the deal was signed and the band headed to Roxanne Studio in Leonberg for two weeks to record their debut album, „Deuce“. „EXPOSÉ“ magazine wrote: „PRKLZ display, at least occasionally, sonic similarities to Rush – particularly in passages such as the opening of ‘Can’t Get Rid of the Rat’“. A style typical of Metallica, Slayer or Sepultura is also evident on „**Deuce**“, complete with powerful, distinctive ‘chunka-chunka’ rhythm guitar riffs; these sections can really only be described as speed metal. Other parts, such as the opening of ‘The Promise – Chapter II’, are reminiscent of King Crimson.”

Unfortunately, the small record label lacked the resources to distribute this brilliant music worldwide. As a result, the second album remained unreleased and the band split up in 1997. Golden Core have now unearthed this treasure and are presenting (almost) the entire catalogue of this magnificent band on a double CD. The material has been restored and remastered, and the booklet includes liner notes. Alongside the album „**Deuce**“, you’ll find the complete second, previously unreleased album, a Beatles cover version and all the tracks from “The Tape” (Ragnarök) that didn’t make it onto the album later on. A long-lost masterpiece that is set to cause a stir as a re-release.

Title: **Let A Boy Cry**Artist: **GALA**

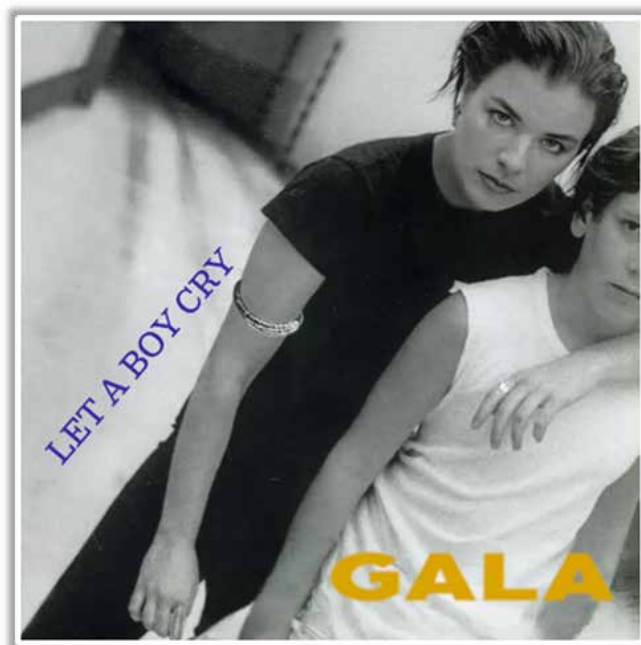

Follow up of FREED FROM DESIRE, **LET A BOY CRY** is a powerful statement about emotional freedom, staying true to yourself and breaking free from the society's expectations. Beneath its iconic '90s dance sound lies a much deeper message: a celebration of vulnerability, individuality, and the courage to be yourself.
