Title: **Techno Club Classix Vol. 1 - Vinyl Edition**

Artist: **VARIOUS**

„**TECHNO CLUB CLASSIX VOL. 1 – VINYL EDITION**“ marks the first-ever vinyl release in the popular Technoclub Classix series. It was the Technoclub fans themselves who decided which tracks would feature on this coloured double LP: they were able to vote for their favourites in a poll. The result is 13 trance classics from an era that continues to shape the sound of the Technoclub to this day.

The line-up includes Chicane with “Saltwater”, Nikolai with “Ready To Flow”, The Thrillseekers with “Synaesthesia” and Veracocha with “Carte Blanche”. These are joined by other well-known trance tracks in selected maxi versions and remixes, including those by Talla 2XLC, DJ Quicksilver and Rank 1.

„**TECHNO CLUB CLASSIX VOL. 1 – VINYL EDITION**“ brings together the Technoclub favourites chosen by fans on a double vinyl set – for everyone who celebrated these trance classics back then and still celebrates them today.

Title: **Error 404**
Artist: **ROUBIX**

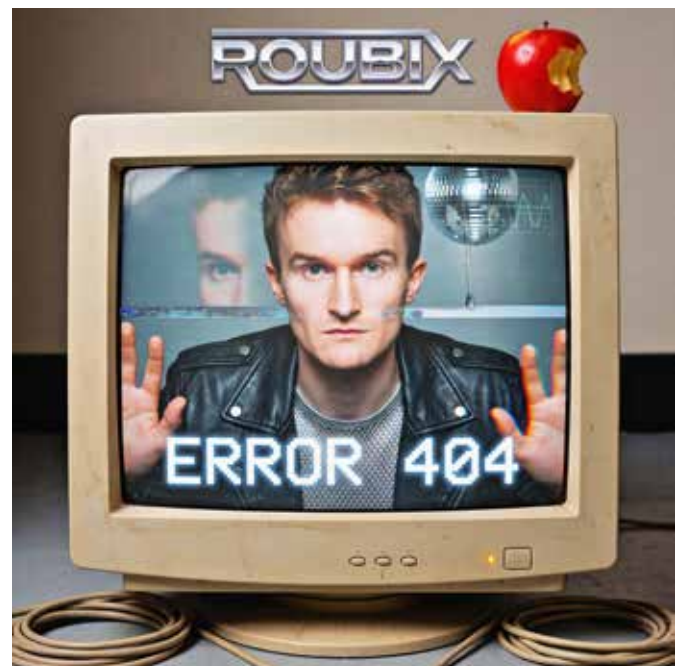

Error 404 is **Roubix's** debut album. Glitch pop built on a foundation of Italo disco. There's not really much more to say about it. It sounds as though 1980s Europe is being broadcast via a glitchy signal. Arpeggios, big analogue hooks and that classic 80s drum sound – everything falls apart, kicks back in and rebuilds itself. The glitch isn't a fault. It's the very heart of the album. Nostalgia that fails to load fully. Connections that keep cutting out. And yet you can't stop dancing. Past and present don't simply run parallel here – they collide. Following his run to the semi-finals of the 2024 Eurovision Song Contest representing San Marino and now with over a million streams, *Error 404* is Roubix's first full-length statement.

The album is being released as a **limited-edition coloured vinyl**.

Title: **Take My Breath Away**
Artist: **DENISE DONATELLI**

Denise Donatelli returns to Savant Records with **Take My Breath Away**, a celebratory new recording that finds the multi-GRAMMY® nominated vocalist bringing together contemporary songcraft, Brazilian music, her acclaimed jazz stylings and intimate balladry in a program as deeply personal as it is musically expansive. Long admired for her warm, expressive tone and interpretive depth, Donatelli once again joins forces with longtime collaborator, pianist and arranger Geoffrey Keezer, whose imaginative settings provide an ideal framework for her artistry. Recorded in New York with a stellar ensemble including Ron Blake, Donny McCaslin, Chien Chien Lu, Yotam Silberstein, and background vocals from Arnold McCuller, *Take My Breath Away* moves effortlessly from the sophisticated swing of „How Little We Know“ to the luminous string quintet textures of James Taylor’s „You and I Again,“ Antonio Jobim’s „This Happy Madness“ and the reflective beauty of Irving Berlin’s „How Deep Is the Ocean.“ Donatelli and Keezer’s collaborative approach unifies these varied musical landscapes into a recording of remarkable warmth and emotional clarity. At once adventurous, intimate and quietly triumphant, *Take My Breath Away* celebrates resilience, artistry and the enduring power of great songs beautifully sung.

Title: **Feel Free**
Artist: **A CUP OF-T**

A Cup of-T präsentieren Brit Rock made in Germany: Vor elf Jahren hatten sie ihr hochgelobtes Plattendebüt gefeiert, auch im Heimatland des Pop für viel Aufsehen gesorgt und mehrere Male den legendären Cavern-Club in Liverpool gerockt. Jetzt haben a Cup Of-T aus L.E., wie Leinfelden-Echterdingen, ein neues Album fertiggestellt. Mit „No, No, No“ erscheint nun eine erste Single - ehrliche, handgemachte Musik, die klare, straighte Aussagen mit schönen Melodien vereint.

Bewusst nutzen sie genau die Auswahl an Instrumenten, die schon die Beatles in ihren Hits verwendeten. Niemand kann sich der Magie ihrer Musik entziehen. Dabei sind sie nicht perfekt, denn A Cup Of-T ist kein Produkt, sondern Herzenssache. Die Vier sind ernsthaft ohne beschwerend zu sein, sympathisch ohne aufgesetzt zu wirken und vermitteln Leichtigkeit ohne ins Beliebige abzurutschen.
